30 November 2015  

From the Executive Principal

As we approach the end of another successful year in education at Mountain Creek SHS, I would like to take this opportunity to thank all families for your support and participation in the education of your sons and daughters. The most important partnership in educating young people is the partnership we (the school) forge with parents.

‘there is strong consensus, supported by a variety of evidence dating from over 40 years, that positive parental engagement can and does significantly influence student academic attainment.’

(Emerson, Fear, Fox and Sanders 2012).

We (your school staff) look forward to working collaboratively again in 2016 to help achieve the goals set by you and your students.

My sincere thanks to our teaching and non-teaching staff for the work that they do daily to ensure that each student is provided with a high quality education at Mountain Creek State High School. The outcomes of our school review earlier this term endorses this view, while providing valuable recommendations for consideration in our strategic planning.

Last week, we farewelled 322 year 12 graduates with a Guard of Honour and a formal ceremony. This year we have focussed heavily on completion (that is achieving the Queensland Certificate of Education – goal 98%) while not taking our eyes off the goal of ensuring that every student graduates from Mountain Creek State High School with a qualification that is relevant to their future education or employment.

Congratulations and best wishes to our 2015 graduates.

All families should have received a copy of our School Magazine – HORIZONS. My sincere thanks to Mark Wedemeyer - teacher librarian - for the production of the HORIZONS (in full colour this year for the first time). Mr Wedemeyer has also been responsible for the Creeker publications that I am sure you have enjoyed this year. Students who have not received a copy of the magazine will be able to collect this at the Resource Centre after returning all outstanding resources after exams have been completed.

My sincere thanks also to my P&C and School Council for their support in the provision of resources that are so important to the education of our students.

I would like to remind all junior secondary students that their school year does not end until Friday 11th December 2016. While exams will be conducted in Week 9 to allow for marking and reporting, students will be engaged in planned activities in week 10. Reports will be issued to all students in attendance on Thursday 10th December at 3.45 pm.

Parents please note that school commences for students on Wednesday 27th January 2016. The Queensland Government has endorsed a student free day for Monday 25th January due to the Australia day holiday on Tuesday 26th January.

Best wishes for a safe Christmas break.

Cheryl McMahon  
Executive Principal

From the Head of Senior School

YEAR 12 RESULTS

Students checked their results on the last day of school to ensure accuracy and this means that all inaccuracies were fixed with final student results. Students now await the final OP results and QCE outcomes in December.

All results contributing to the Queensland Certificate of Education (QCE) and OPs and FPs will be available in student learning accounts on the Student Connect website, https://studentconnect.qcaa.qld.edu.au/, from 9 am on Saturday 19 December 2015.

Students must know their Learner Unique Identifier (LUI) and password to log in and check their results. Students will be able to access their results quicker if they have previously activated their learning account.

GRADUATION 2015

In 2014 the student leaders and administration staff conducted a review of the longstanding traditions and celebrations surrounding the end of year events for Year 12’s. The four main priorities agreed upon by staff and students were;
Enjoyable – The end of Year celebrations should be enjoyable for all concerned, this is a great day for students to celebrate their achievements and efforts.

Respectful – The traditions, uniform and image of the school needs to be respected in any such event.

Legal – Students behaviour needs to respect the laws of Queensland to protect the safety of students and the public.

Ethical - Societal standards of morality and ethics need to be upheld. Acceptable behaviour standards for this event need to be clearly outlined and enforced.

The review resulted in an outstanding outcome on the day of the 2015. I wish to thank those parents that took a few moments to approach me on the day and congratulate the school for the safe and enjoyable event and the way it was organised. Great days like this are also a combination of the efforts of students - their behaviour was commendable!! The school knows that everyone who was there will remember it as a golden moment. Please enjoy the gallery of photos from the events at school and at Suncoast Auditorium, a fantastic evening for all concerned.

Information Technology Levy
All families would have received a letter last week indicating that Mountain Creek State High School has introduced an $80 Information Technology Levy for all year levels. Invoices have now been raised for this levy and the amount will also appear on your next statement. Please note: The Student Resource Scheme and technology levy are due by 25 January, 2016. Connection to BYOX program will not occur until both the Student Resource Scheme and technology levy are paid or an alternative payment plan has been arranged with the school Finance Department.

Alternative Payment Plan
Mountain Creek State High School can negotiate payment plans with families who are experiencing financial difficulty. Payments can be scheduled weekly, fortnightly or monthly via centrepay deductions, credit card or through direct debit contributions to the school bank account. Payment plan applications can be obtained via the school website www.mtncreekshs.eq.edu.au or an appointment can be made with the school Business Manager to organise a payment plan. Please contact the Finance Department on 5457 8308 for more information.

Payment Methods
Bpoint
All statements contain the information required to pay via Bpoint (http://bpoint.com.au/payments/dete) which is a secure internet payment portal.

School Bank Account
Payments can be made directly into the school bank account:
BSB: 064-447
Account Number: 10073789
Reference: {Student Surname},{Student Initial},{Year level}

Over the phone
Credit Card payments can be accepted over the phone by calling the finance department on 5447 8308.

From the Head of Junior Secondary School

Finances Department Update
Student Resource Scheme
The P & C Association have endorsed the 2016 Student Resource Scheme participation fee. The cost to parents/guardians will be $375 per student. Statements have been sent out including the 2016 Student Resource Scheme participation fee of $375. SRS is due by the first day of the school year which is the 25 January, 2016. Please ensure payment has been made or alternative payment plan has been arranged with the Finance Department before this date. This will ensure your son/daughter has a smooth transition to the new school year with all of the resources they need to engage in the curriculum.

School Bank Account
Payments can be made directly into the school bank account:
BSB: 064-447
Account Number: 10073789
Reference: {Student Surname},{Student Initial},{Year level}

Over the phone
Credit Card payments can be accepted over the phone by calling the finance department on 5447 8308.

From the Head of Junior Secondary School

Scholarship Welcome Evening
Each year the Mountain Creek SHS P & C Association offer 10 scholarships to students attending MCSHS in Year 7. We would like to congratulate all of the amazing students who attended the Welcome Evening and were presented with their scholarship this week. Scholarships are awarded to outstanding young students who have exceeded academically, are good role models to their peers and are also strong in one or more areas of sport, art, dance, drama, music, public speaking, debating and information technology. We look forward to welcoming these students to Mountain Creek SHS in 2016.
## Young Scholars

On the 19th November we had our last Young Scholars afternoon for the year. Students enjoyed afternoon activities of art, music and SOSE. In 2015 we had 50 Year 5 students and 50 Year 6 primary school students involved in this enrichment program. We look forward to continuing with our Year 5 students in 2016 and will welcome many of our Year 6 students to our Junior Secondary School Community.

## Assessment and reports

Our Year 7, 8 and 9 students have almost completed all of their assessment for the year. Reports will be distributed to students on Thursday 10th December at an assembly at 3.45pm. If students are not in attendance on this day they will be able to collect their reports from their respective sub school at the beginning of 2016. Reports will not be distributed early.

## International Baccalaureate Update

**Gold and silver in State Titration Competition.**

Congratulations to Lara Culley, Alexander Hendry and Lachlan Thomson all Year 12 IB Chemistry students who after taking out individual and school awards at the Regional Titration Competition at University of Sunshine Coast set out to test their skills in the State Championships. After hours of practice in the lead up to the competition and then hours of concentration to measure and calculate down to decimal points, Lachlan and Alexander were awarded gold for accuracy with Lara awarded silver. According to Ms Emma Hodkinson, competition was tough with students employing magnifying glass and block out paper to achieve the required accuracy.

*Trisha Valentine*
CAS World Challenge Update

By the time you are reading this, 15 students from Year 10 and 11 along with Mr Chris Buswell and Ms Rachel Downie, will be travelling to Vietnam and Laos on the World Challenge expedition. The World Challenge ethos and immersion program encompasses the ideals of Challenge, Participation and Environment, and aims to help open the minds and broaden the experience of young people. We will be travelling from the 28th of November until the 24th of December.

The Team in Training

Throughout the last 12 months, we have been involved in various team fundraising projects to assist in providing extra financial aid to our community project. Activities have included sausage sizzles, raffles, silent auctions, bake sales and community volunteering. In addition, we have also received a generous donation of $520 from the Woombye-Palmwoods Rotary Club. We would like to thank everyone for their generous support; we have raised nearly $4000, which will be of great benefit to the village in Houy Pan.

If you would like to keep up with our travels, log into this blog:

News from the SOSE Department

The First Certificate Two Volunteering Graduate

The year sees the first group of 13 students graduate with a Certificate 11 in Volunteering. This course was introduced at the beginning of 2014 as the school saw an opportunity for students to really get involved in the community at the ground level. These 13 students are to be congratulated on this achievement and we hope this course sees them enter the world of work as confident young adults who represent the notion of community involvement at a high level. Next year, we have moved this course to a Certificate 111. Many thanks to their teacher Riedwaan Nassiep who has ensured their community involvement has covered a variety of places.

By Lisa Kempf

Year 7 Bilai Geography Excursion

To finish our unit with a bang, the Year 7 Geography students from 7A, 7B, 7C, 7M, 7O and 7T went on an excursion to study our local water catchment area through a forest walk and canoeing. This involved exploring areas around Glenfield and Mooloolaba. They discovered the environmental impacts humans have had our area and what is being done to preserve or manage these areas. The students really enjoyed getting
their hands dirty and their feet wet (in some cases, head to toe wet).

News from Manual Arts

Certificate 2 in Furniture Making

Term 4 has come to an end for the students enrolled in Certificate 2 in Furniture Making. All students have now completed their major project being a Wine Cabinet and are currently participating in work experience. With the successful completion of this work experience, all students who participated in the course throughout the year by attending the required practical workshops and also the theory classes will gain their Certificate 2 in Furniture Making. This certificate can be used to help students gain an apprenticeship within this industry.

The Wine Cabinet has been completed to a very high standard. It took approximately 12 weeks to make so the students certainly refined their skills using tools such as, table router, hand held router, panel saw and bandsaw, just to name a few. Measurements were vital on this project with each component or task being made to strict specifications. We would like to thank Sunstate Glass for supplying the tinted glass for the doors of the Wine Cabinet.

We recently met with a local Sunshine Coast company to discuss the course that we run at school. This company was extremely impressed with the standard of work by the students and the range of tools, machines and general resources that were available at Mountain Creek. This is a great result for our students.

During the last few weeks of the term Mooloolaba State School asked the Furniture Making students if they could produce some planter boxes. Our students were keen to complete this project and the final outcome was a great result. The students of Mooloolaba State School are very pleased with their planter boxes and will get many years of use from them.

This is our last newsletter article for the year. We would like to thank the parents / guardian for the continual support throughout the year. We hope you have a safe and happy holiday.

Mr Davies and Mr Clayton

News from Film and Television

Film and TV Gala Awards

Our annual Film and Television Gala Awards Day was held on October 20th at the oldest theatre in Australia, the Majestic Cinema at Pomona. It is always an outstanding event with staff, parents and students getting dressed in their finest clothes to watch a genuine silent film with accompanying organist, enjoying a catered morning tea and then watching some of the best student films from throughout the year on the big screen. Congratulations to all our Film and TV students for their hard work throughout 2015, and in particular those who made outstanding films and won awards for their creative and professional-quality production work.

Award Recipients:
As the year draws to a close, we can reflect on and be proud of our creative achievements.

Our latest success was the Art Show and Music Gala Evening held on Tuesday the 17th of September. The evening was well attended, with nearly 200 people listening to our Performance Group, Ensembles, Stage and Concert Bands. Again, all we can do is brag about how talented our students are; under the guidance of Carly Cook, Courtney Duncan, Calvin Hunter and Genevieve Williams, they sang and played their way through the evening, entertaining and delighting the audience.

Artworks played a major role in the evening as well, with Mr John Drake setting up a beautiful and engaging exhibition in the PA Foyer. With over 400 works on display, there was much to look at and discuss. Shiree and Jo from “To Hold and To Have” judged the show and Larissa Ingle was awarded the Best Junior Artwork and Jemma Bloomfield was awarded the best Senior Artwork, congratulations girls!

Year 10
- Best short film – Trinity Hawkins and Holly Morgan
- Best music video – Devon Kahika and Vashhti Gaillard
- Best Design illustrator – Jess Holliday
- Special commendation – Ethan Keighley and Chelsea Jamieson

By Lauren Stevens
Film, TV and New Media Teacher
Mrs Chris Jefferson, has been teaching Visual Art and inspiring many students to follow creative paths in their lives at MCSHS since January 1995. After 20 years here, ‘Jeffo’ - as she is affectionately called by her students - will be taking leave for the first half of 2016. We wish her all the best for a restful and exciting break; safe travels to you and your husband, we will miss you very much.

On Thursday the 18th of November the Young Scholars filled our Art Rooms with much excitement for a drawing workshop. We used right mode drawing techniques to produce continuous line self portraits using mirrors. It was an excellent afternoon; the students completed very successful ink and pen drawings.

We look forward to 2016 and the exciting and creative opportunities, that will be available to our students, allowing them to explore their creative skills through Dance, Music, Drama and Visual Art. I would like to take this opportunity to thank our very talented Creative Industries team: Kerri Boyd, Emma Bradley, Carly Cook, Amanda Dickson, John Drake, Courtney Duncan, Calvin Hunter, Chris Jefferson, Cathryn Jones, Colette Kealy, Sharon McHugh, Glenda Paton, Shannon Palmer, Miranda Streeter, Tylene Thompson, Katie Trott and Genevieve Williams. Our students and parents greatly appreciate the extra hours and efforts you all commit to, in helping our students at Mountain Creek achieve their creative potential.

From all of us we wish you blessings for Christmas and a very Happy and fruitful New Year.

Rachel Downie
Acting Head of Creative Industries

News from the Sports Department
Rugby League Program ‘Day For Daniel’ Fundraiser

On Friday 30th October, Mountain Creek SHS participated in the Innagural Daniel Morcombe Foundation ‘Day for Daniel’ Fundraiser at Kawana Rugby League Grounds.

The Day kicked off with our Open Rugby League team playing a combined Sunshine Coast High Schools Invitational team. The game was played in excellent spirit and sportsmanship and our boys put in a comprehensive display to win the game 38 points to 4.

Dakota Tolhurst was awarded man of the match and Connor McCabe was presented the medal for Referee’s choice as best on ground.

In what proved to be the game of the evening played in front of a big crowd, the next game was the ‘Daniel Morcombe Cup’ between Mountain Creek SHS and Sienna Catholic College Yr 10’s.

The lead changed several times throughout the game and scores were locked at 16-16 with 10 minutes to go. Standout performances by Jaylen Nom, Joe Lowe, and Man of the Match Justin Makirere meant Mountain Creek won the Game 28 points to 16.
Congratulation to all students involved in a fantastic evening for a very worthwhile cause.

Special thankyou to our program sponsor Ray White Mountain Creek for their ongoing support throughout the year.

Dan Roberts
Program Co-Ordinator

‘Make it Stop’

‘Make it stop’ A Sunshine Coast plan to stop Domestic Violence on December 9 at the University of the Sunshine Coast. A number of partners including USC and Sunnykids have come together to make this happen and we also have Rosie Batty coming as a keynote speaker. Go to the link below for more information:

Uniform Shop News

The Uniform Shop is now fully stocked with uniforms and stationery for back to school 2016.

Reminder: If you are in Year 11 and haven’t ordered a Senior Jacket there will be an opportunity to do so in week 2 and 3 of Term 1 2016. Delivery will hopefully be before the end of Term 1.

The offer is valid from 1st November till 30th November and the winner will be drawn on the 30th November.

The Uniform Shop will be open every day from Monday to Friday 9am till 2pm till the end of term commencing 7th November 2015. Extended trading hours can be found below or on the school website.

We are always seeking volunteers to assist with uniform sales during our busy periods. If you have a little free time particularly in the New Year, our busy back to school period between the 14th January 2016 till 30th January 2016 we would be very appreciative of your assistance.

Please contact the Uniform Shop on 54578328 to inform of your availability and contact details.

Happy and safe holidays to all.

Michelle Sampson
Uniform Shop Convener

$200 Cash Back Draw

Get in early for a chance to win $200 cash back on School Uniforms.

Be in the draw for a $200 cash back bonus when you purchase your students uniforms this is sponsored by Weareco Uniform Suppliers and to be eligible for this special offer uniforms must be purchased between 2nd and 30th November 2015.

Conditions:

- Minimum spend of $100 on new uniforms only
- Does not include stationery
- Does not include Lay-by.

The winner will be drawn and notified on Tuesday 1st December 2015.

JEFF’S XMAS RUN

Students, staff and parents are being asked to contribute to helping out families who live in country Queensland, doing it really tough with severe drought. Areas such as Quilpie and Eromanga have not seen rain for years. Families are doing it really tough, trying to make a living off the land.

We are asking you, the school community, to donate either money (there is a donations tin in the library) or buy a present for some students from the schools. Please label the present with gender and age range. These parents can be placed under our tree in the library and then Jeff, from 104.9 local radio, will be driving a bus out there to drop these off. The Quilpie Council will be responsible for handing these out as well as the money. The idea is to keep the money with business owners out there, so we put into the community.

This appeal finishes on the 4th Dec and I want to thank you for your support of this appeal.

Jeff has set up a face book page so check this out to see where your contribution is going. Below we can see how dry Eromanga is.

Saver Plus

Would $500 assist you with education costs?

Join Saver Plus and match your savings dollar for dollar, up to $500, for education costs including school uniforms and text books, laptops, sports equipment and music tuition!

To be eligible you must:

- have a Centrelink Health Care or a Pensioner Concession Card
- have a child at school or starting next year
- have some form of household income, for example, you or your partner may have casual, part-time, full-time or seasonal employment.

Call or SMS your local Saver Plus Worker at the Smith Family on 07 5451 1069

Saver Plus is an imitative of Brotherhood of St Laurence and ANZ, delivered in partnership with Berry Street, The Benevolent Society and the Smith Family and other local community agencies. The program is funded by ANZ and the Australian Government Department of Families, Housing, Community Services and Indigenous Affairs, with ANZ providing matched saving for participants.

Inclusive Event for Families with Special Needs

Our last Sensory Movie Day for the year is coming up on December 6

Hotel Transylvania 2

Sunday 6th of December at 11am at Birch Carroll & Coyle Maroochydore.

“Sensory Movie Day” was created for Families with Special Needs.

- Children are free to try every seat, to flap or stim.
- Lights are up and the sound is down.
- Fire exit doors are monitored by volunteers.
- This movie is a positive, non-judgemental experience.
- Siblings and extended family are welcome to attend.

Tickets are $8 each.
- Companion I.D. cards are accepted.
- Children under 2 years are free.

Membership cards are required to purchase tickets.
- Tickets on Sale Now! Come along and support our event.

We are in the foyer from 10.30am.

JTV Performing Arts Studio

JTVPA would like to wish everybody a Merry Christmas and Happy New Year.

We have lots of new and exciting things happening at our dance studio next year.

JTVPA is committed to provide excellence in Performing Arts tuition in a safe, caring and nurturing environment. Balance plays an important part of the journey. We aim to create young artists who balance a high professional standard.

Registration can be done on our website: jtvdanceacademy.com.au

Classes commence back on Monday 1st February 2016
