Mountain Creek State High School is a uniform school because the Parents’ and Citizens’ Association representing the parents of this school, has decided at the outset to support the wearing of a school uniform. The Minister for Education has stated that the advantages of wearing school uniforms include: “Developing a sense of belonging to a group, pride in membership of that group and identification of students to and from school”. It is our school policy that the appropriate school uniform is worn each day and we urge all parents to support the accepted standard of dress as detailed in this brochure. The Mountain Creek State High School uniform can only be purchased from the school uniform shop. Lookalike items are not acceptable.

Correct School Shoes

Education Department and Workplace Health and Safety instructions clearly state that students’ footwear must provide adequate protection and cover the entire feet. The only acceptable footwear is a fully enclosed polishable black leather shoe, lace-up with black shoelaces.
