**Signature:** ________________________________________________________________

iLove Computers is our local Apple Authorised Education Reseller. They are located at Shop 18, 130-164 Brisbane Rd, Mooloolaba QLD 4557. You can email sales@ilovecomputers.com.au or call on 07 5444 7507

iLove Computers have a large range of clip on cases, sleeves, protective covers and keyboard protectors. A 20% discount will be given off any case, sleeve, cover or protector when purchasing it along with the computer.

We keep most Apple MacBook computers in stock, but please call beforehand if you are traveling to us, so we can reserve one for you.

*The AppleCare Protection Plan for Mac provides up to three years of expert telephone technical support and additional hardware service options from Apple. Conditions apply."
PRODUCT SPECS - RECOMMENDED MODELS

MacBook Air 13”

MacBook Air now features a fifth-generation Intel Core processor, Thunderbolt 2, great built-in apps and the same all-day battery life. It’s thin, light and durable enough to take everywhere you go — and powerful enough to do everything once you get there.

- 1.6GHz Intel Core i5 processor
- Intel HD Graphics 6000
- 8GB memory
- 256GB Flash storage
- Up to 12 hours of battery life
- 802.11ac Wi-Fi
- Multi-Touch trackpad
- Includes AppleCare Protection Plan (3 years parts & labour plus phone support)

MacBook 12”

The new MacBook delivers a full-size experience in the lightest and most compact Mac notebook ever. Every element — from the new keyboard and Force Touch trackpad to the 12-inch Retina display, USB-C port, battery and logic board — has been completely re-imagined to make it not only thinner but also better. The result is more than just a new notebook. It’s the future of the notebook. Available in gold, space grey and silver.

- 1.1GHz Intel Core M processor
- 8GB memory
- Intel HD Graphics 5300
- 256GB Flash storage
- Up to 9 hours of battery life
- 802.11ac Wi-Fi
- Force Touch trackpad
- Includes AppleCare Protection Plan (3 years parts & labour plus phone support)

Battery life varies by use and configuration; see www.apple.com/batteries for more information. TM and © 2016 Apple Inc. All rights reserved.
PRODUCT SPECS - ALTERNATIVE MODELS

MacBook Pro 13"

The new MacBook Pro is faster and more powerful than before, yet remarkably thinner and lighter. It has the brightest, most colourful display ever on a Mac notebook. And it features up to 10 hours of battery life. It’s a notebook built for the work you do every day. Ready to go anywhere a great idea takes you.

- 2.0GHz dual-core Intel Core i5 processor
- Turbo Boost up to 3.1GHz
- 8GB 1866MHz memory
- 256GB PCIe-based SSD
- Intel Iris Graphics 540
- Two Thunderbolt 3 ports
- includes AppleCare Protection Plan (3 years parts & labour plus phone support)

MacBook Pro 13” with Touch Bar

The new MacBook Pro is faster and more powerful than before, yet remarkably thinner and lighter. It has the brightest, most colourful Mac notebook display ever. And it introduces the revolutionary Touch Bar — a Multi-Touch-enabled strip of glass built into the keyboard for instant access to what you want to do, when you want to do it. The new MacBook Pro is built on groundbreaking ideas. And it’s ready for yours.

- 2.9GHz dual-core Intel Core i5 processor
- Turbo Boost up to 3.3GHz
- 8GB 2133MHz memory
- 256GB PCIe-based SSD
- Intel Iris Graphics 550
- Four Thunderbolt 3 ports
- Touch Bar and Touch ID
- includes AppleCare Protection Plan (3 years parts & labour plus phone support)

MacBook 12"

The new MacBook delivers a full-size experience in the lightest and most compact Mac notebook ever. Every element — from the new keyboard and Force Touch trackpad to the 12-inch Retina display, USB-C port, battery and logic board — has been completely re-imagined to make it not only thinner but also better. The result is more than just a new notebook. It’s the future of the notebook. Available in gold, space grey and silver.

- 1.2GHz Intel Core M processor
- Intel HD Graphics 5300
- 8GB memory
- 512GB Flash storage
- Up to 9 hours of battery life
- 802.11ac Wi-Fi
- Force Touch trackpad
- includes AppleCare Protection Plan (3 years parts & labour plus phone support)

1 Compared to previous-generation
2 Battery life varies by use and configuration; see www.apple.com/batteries for more information.
